WENDY SHONEBARGER JOINS GREEN BIZ

Wendy has joined Green Biz to help source plant material for contractors and others. Her main responsibility will be to maintain our availability list. Wendy will know what is sellable, and what is blooming. Wendy is a recent graduate of the Fayetteville Tech Horticulture program, and has over three years of experience at the Cape Fear Botanical Garden. Wendy comes to Green Biz already possessing several professional certifications including her Certified Plant Professional certificate, and her Pesticide Applicators License. She looks forward to working with our clients.
